What is Greater Vail Community ReSources

As an Arizona 501(c)(3) nonprofit, ReSources has been lending a hand since 2016 to help feed residents of greater Vail and assist with basic needs. The ReSources Vail Food Bank, located "between the tracks" in the heart of Vail, distributes nourishing food to local clients, homebound seniors, as well as Vail area children through the Weekend Backpack Program.

The Vail Depot Thrift Store, a carefully curated retail shop with a boutique feel, generates revenue that helps fund the work of the food bank. Both the thrift store and the food bank could not succeed without the help of dedicated volunteers who give of their time to sustain others.

Mission Moment

Connecting Our Community

Michelle, a single mother, had been severely injured in a car accident and couldn't work. Now a food bank client, she said "This service has been priceless--a Godsend. In the past, I had always donated to food drives but I never saw the impact on peoples' lives. Programs like this give a little bit of light by connecting us to people who truly care."
