2026 marks the tenth anniversary of Greater Vail Community Resources—ten years of feeding neighbors through Resources Vail Food Bank and ten years of delighting shoppers with donated goods through the Depot Thrift Store. Over the next ten years, our 501(c)3 nonprofit is positioned to grow into an even bigger and better version of itself by expanding its services and programs. But we can't do it without you!

Many in our region assume that the Vail area is immune to food insecurity, but the statistics tell a different story. ReSources has responded to a 20% year-over-year increase in demand among families, homebound seniors, and schoolchildren, and it shows no signs of slowing. This growth is most apparent in the "Meals to Grow" program which provides weekend nutrition for kids directly at school sites. By the end of 2026, ReSources expects to serve 600 children—a heavy lift that can be made possible with your support!

Become part of the solution to hunger by participating in this annual fundraising event and know that your donations go even further thanks to lower overhead costs in this volunteer-driven nonprofit.

Join us on Saturday, Oct 24th at Forty Niner Country Club in Tucson.
